

Step-1

Following acceptance, at least one of the authors must attend the conference and present the paper on the allotted time slot of conference agenda. In the event that the presenter is unable to attend the conference, the accepted paper will NOT BE considered for submission of the proceeding to the publisher.

Step-2

At least one of the authors listed on the paper (Preferably the corresponding/first author) must register to upload the final manuscript. Make the payment in the corresponding category and take a screenshot of the successful payment transaction.

Step-3

The final manuscript must be prepared based on reviewers' comments and according to the final paper format as Per IEEE.

Step-4

The first/corresponding author should fill the copyright form to transfer the copyright of the registered work for publication purpose. Author should mandatorily fill in the following details: All the author names, paper title and corresponding author signature.
